

WELCOME TO VISION FIRST!

Vision First is an independent NGO (Non-Governmental Organization) dedicated to safeguarding the rights of refugees in Hong Kong. Our objective is to provide advocacy, activism and advice to help you effectively promote your wellbeing, self-reliance and protection as you intervene to oppose abuse. We welcome all asylum seekers and refugees irrespective of religion, race, nationality, social group and political opinion.

WHAT CAN YOU EXPECT FROM VISION FIRST?

Vision First operates according to a Triple A Strategy – Advocacy, Activism, Advice.

ADVOCACY aims to improve the way Hong Kong Government treats all refugees, starting with you.

ACTIVISM aims to empower you to speak for yourself and push for the changes you require as you wait for a decision on your future.

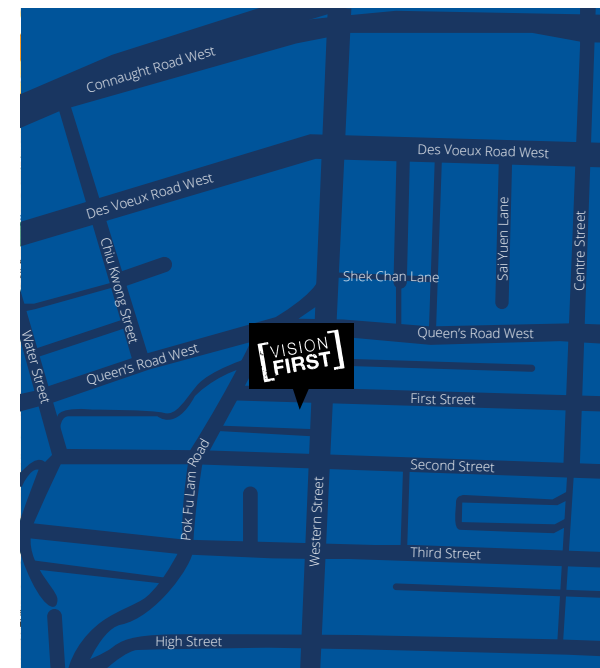

ADVICE is aimed at solving the difficulties you personally face with various government department and teach others the most effective methods, until you are able to do it yourself.

Please bear in mind that Vision First updates its policies and strategy regularly as we critically analyze our operations to better meet our goals of social change. Further, any assistance is limited to available manpower and resources. You are encouraged to keep track of changes by accessing the members' page at www.vfnw.org

WHAT DOES VISION FIRST EXPECT OF YOU?

Vision First expects members to be respectful, caring and supportive of other refugees. We wish for everyone to learn their rights and actively participate in actions and events targeted at improving the general living conditions and protection of all refugees. As a general expectation, Vision First wishes for involvement, participation and a drive to strive for the changes we all desire.
