

# THE SLUM ALONG THE DITCH

## NAI WAI #7

We first photographed this ghetto in July 2010. Since then a face-lift masked the PIG FARM to create the illusion of village homes. Look closely, the upgrade only fools ISS-HK officers!

This Slum Lady runs three ghettos. ISS-HK pays her 36,263\$ a month or **435,156\$ a year** to manage three refugee slums. In four years these three clusters netted **1,400,000 HK\$**

The return on investment (ROI) is 100% as no improvements are ever made. Refugees are forced to pay extra for lamps, basins, toilet and for friends or girlfriends spending the night.
