

A young boy in a white shirt and dark pants stands with his back to the camera on a rocky shore. He is looking out at the Hong Kong skyline across the water. The skyline includes several prominent skyscrapers, with the tallest one being the Bank of China Tower. The sky is overcast with grey clouds.

HK'S LONELIEST CHILD WANTS YOU AS A FRIEND

The children of refugees live on the fringes of our prosperous society, unable to participate and without a single advantage. They have been driven far from home and community by violence and persecution that's no fault of their own. Support Vision First and help to give these children the chance in life that everyone deserves.

Vision First is powered by 100% volunteer participation. If you would like to join the team, please contact us.
